April 17, 2013

Dear Fellow Members:

The Board of Directors of the Kansas City Metro Association of Permit Technicians has resurrected the scholarship fund. This fund has a limit to the total monies available for scholarships per any given year.

The one stipulation for consideration is an active membership being obtained prior to the March 14, 2013 Annual Business Meeting.

The requests for scholarship money will be reviewed by the BOD and the award recipients will be contacted by email. If there is a large interest, criteria used to determine recipients may include length of membership, attendance at regular meetings, participation on committees and service as a Board of Director and/or Officer of the Chapter.

Those receiving monies will be required to provide proof of attendance: a copy of the paid invoice and a copy of the class participation certificate prior to a check being issued.

If you have any further questions please contact one of the Officers or Board Members listed on the left.

Respectfully,

Tamara Hagerman, CPT  
KCMAPT, President  
City of Baldwin City, KS
